

'Smiling Jack' Lelivelt Signs Contract to Manage the Tulsa Oilers in 1922 Race

CHAMPION BATSMAN TO PILOT TEAM AND COVER INITIAL BASE

Nucleus for Strong Contender Already on Hand for New Skipper to Build Around and Tulsa Prospects Are Bright—Lelivelt Always Popular Here—Clymer May Land a Berth at Mobile.

By B. A. BRIDGEWATER.

Outbidding Oklahoma City and other clubs, the Tulsa club of the Western league has secured the signature of "Smiling Jack" Lelivelt to a contract to manage the Oilers in 1922. The terms were not made public, but as several owners were in the market for the services of the Western league's champion batsman, it is a certainty that the scrappy first-sacker secured a nice boost in salary over his compensation at Omaha the past couple of seasons.

Announcement of the signing of Lelivelt to take the helm and attempt the task of lifting the Oilers from the ruck of illandom was made yesterday by Business Manager Friel of the Tulsa club upon his return from Chicago. Friel made the trip north especially to see Jack and close with him if possible. He negotiated with Lelivelt for the greater part of two days before they finally reached an agreement and the ex-Omaha skipper affixed his John Henry to the managerial contract.

Finds Strong Nucleus Here.

Friel said that Lelivelt is to be given an absolutely free hand in the conduct of the club, and he is confident Jack will hit it off successfully. Lelivelt steps into the breach with things in much better condition than when Jimmy Burke took over the reins last spring upon the departure of Spencer Abbott. Jack has a fine nucleus about which to build a club. The Oilers have a lot of good material left over from the 1921 season, and there will be a formidable array. George Boehler, Tom Lukavich, Lefty Albanese and Ray Richmond are on the roster. Eddie Spelman is available behind the bat and John Heving may be back again. Lelivelt himself will plug one big gap that at first John Stewart will be back at second, and at short, he will have George McGinnis. Who proved himself a capable infielder the 1921 campaign. It is not known whether Thompson will be back at third. In the outfield Lelivelt will have Jimmy Burke, Phil Todd, Yank Davis and Herschel Bennett at the opening.

Jack Always Well Liked Here.

Lelivelt will not be here until late in the winter. He will attend the national association meeting at Buffalo with Friel in December and will discuss the situation with the business manager at that time, and then will take in the Western league meeting at Chicago.

"Smiling Jack" always has been popular with baseball fandom in Tulsa, and his choice as manager is expected to please the national game's followers here immensely. The Tulsa managerial situation has been up in the air ever since the close of the recent disastrous (for Tulsa) season. Bill Clymer had done fairly well in general, but his proposition he faced when he came here to take up Jimmy Burke's burden, but for some reason or other, he had failed to hit it off well with the Tulsa fans. Clymer, however, was proved by his adroit managing of the team in the last few weeks of the season when he made a remarkable showing with pretty fair team and a very ordinary pitching staff, and he was seriously considered for skipper in 1922.

Abbott and Heving Considered.

Spencer Abbott and Joe Berger of Wichita. There's no question but that Abbott could have had the job had he wanted it. However, he had been so successful at Memphis that the owners of the Tennessee pennant winner would not consider letting him get away. Abbott recently signed a contract to manage Memphis again next year, and the salary was reported to be \$3,000 with a bonus of \$1,000 for signing, which means that Abbott has a \$10,000 a year.

Berger was also seriously a candidate for the job. There was not a great deal of difference in Berger and Lelivelt, as candidates. Both men are strong players and good executives. Berger, however, is the property of the Wichita club, and to let him it would have been necessary for him to secure a release from the other club. Lelivelt, on the other hand, purchased his freedom from Omaha at the close of the last season and became a free agent, in a position to take at will and sign wherever he chose.

Setting the managerial question thus early gives Tulsa a chance to be better prepared for the opening of the season next spring. There is plenty of time to weed out where any weeding is necessary and strengthen the weak points, defensively and offensively.

Securing the promise of the services of Phil Todd and John Stewart for another year from the Browns is an important achievement by Friel. It is a sure thing that the Tulsa club will have a close race for home run honors in the Western league and is expected to be real team slugging next season, with the advantage of a year's Western league experience under his belt. Stewart also proved a mighty good man for Tulsa in the short time he spent at second base during the closing weeks of the campaign. While by no means a campaigner, he was a steady performer. Unless John Heving returns for another year, which is not considered very probable, the backstopping department is one place that must be fortified at once. Eddie Spelman is a good man, but the club must have another just as good or better. Spelman is a slower second to none, but at relieving and throwing he is not so good.

Tulsa fans will be glad to learn that Bill Clymer has a berth in prospect for the 1922 campaign. Reports are that he has an excellent chance to land the management of the Mobile team in the Southern league club, also a class A organization.

Clymer was recommended to Mobile by Bill Friel. The president of the Mobile club needed an all-around man to take over his club, a man who could look after the whole proposition financially and otherwise. Immediately suggested Clymer, and there is every reason to believe he will land there.

MAROONS DOWN ILLINOIS, 14 TO 6

Thomas Tears Holes in Illini Line in Last Half to Grab Victory

URBANA, Ill., Nov. 12.—Illinois threw a scare into Chicago in the first half today by scoring six points while holding the Maroons scoreless. Stagg changed fullbacks in the last half, however, and a different story was told, Chicago winning 14 to 6.

Thomas, a human battering ram, was the fullback who spilled Illinois' hopes of victory. Twice Thomas battered his way through the Illinois line for touchdowns. Captain Chuck McGuire kicked the pair of goals.

Illinois points came in the second quarter when Sternaman, where Sternaman tried a drop kick, was forced to punt. Crange intercepted a forward pass on his 45-yard line and Peden after failing to gain through the line, punted. Peden made 11 yards on the play, but Sternaman tried a drop kick that failed by a foot. The quarter ended with the ball in Illinois possession on the 24-yard line. Score Illinois 6, Chicago 0.

FIRST QUARTER: Timme received the kickoff and came back to the 30-yard line. Chicago could not make first down and Romney kicked. Illinois could not gain and was forced to punt. Crange intercepted a forward pass on his 45-yard line and Peden after failing to gain through the line, punted. Peden made 11 yards on the play, but Sternaman tried a drop kick that failed by a foot. The quarter ended with the ball in Illinois possession on the 24-yard line. Score Illinois 6, Chicago 0.

SECOND QUARTER: A series of line backs with Crange carrying the ball, brought Illinois to the 30-yard line. Sternaman dropped the ball over the 15-yard line. Peden and Crange pounded away at the Chicago line for short but consistent gains. Chicago tried several forward passes but without success and the Maroons could not gain through the Illinois line. Near the close of the quarter Illinois got the ball on the 30-yard line and Sternaman booted another dropkick. Score end of half, Illinois 6, Chicago 0.

THIRD QUARTER: Thomas replaced Timme at fullback for Chicago and began tearing holes in the Illini line. Peden then tried a drop kick for Illinois but the pass was poor and Peden fell on the ball on his 12-yard line. On a fake kick formation Poynt made nine yards through the line and Thomas took a long run on the next play. McGuire kicked Illinois 7 to 6. Mixing games with line smashes the heavier academy eleven scored a touchdown in the first period and two in the second. Sapulpa's lone touchdown came in the final quarter. Stewart, Fleet and Gill gained consistently for Tulsa, while the defensive work of Butler and Crabbe stood out. Stroud and Ford did the best work for Sapulpa.

FOURTH QUARTER: With Thomas again battering the Illinois line for good gains and Poynt contributing an occasional run for good gains, Chicago took the ball to the 15-yard line, where Crater's attempt at a place kick failed. Illinois took the ball on the 30-yard line and Peden tried a forward pass but it went wild. Thomas resumed his attacks on the line and after a dozen plays, dove over for a touchdown. McGuire kicked Illinois 14 to 6. Final score: Chicago 14, Illinois 6.

Notre Dame Seconds Down Haskell, 42-7

SOUTH BEND, Ind., Nov. 12.—The Notre Dame football team today won its third game in eight days by defeating the Haskell Indians 42 to 7 before 6,000 fans. Coach Rokee started his second team, which scored 35 points in the first half.

Lelivelt, 15 Years in Organized Baseball, Had Meteoric Rise From Sand Lots and Served in Big Show

Special to The World.

OMAHA, Neb., Nov. 12.—Jack Lelivelt, manager of the Omaha Buffaloes of the Western league, had a meteoric rise from the sandlots to the majors at the beginning of his career in organized baseball 15 years ago.

He began his bats around the big time for half a dozen years, when his legs began to weaken, and dropped to the American association.

and then into the berth of manager of the Omaha club. Remind us of a wicked willow, he is known all over the circuit for his ability to reach out and spear anything within hailing distance of the initial mark, which he still covers with dexterity, if not with grace.

Lelivelt began his big league career with the Washington Senators in 1909 and played with the club until 1911. During the 1912 season he was a New York Yankee in uniform, and the spring of 1913 found him training down in Texas with the Cleveland Indians. He played for two years with Cleveland, after which he was released to an American association club, where he frisked around the sacks during 1915 and 1916. In 1916 he took over the job of building up the Omaha club into a pennant winning aggregation, and during the season just passed he very nearly did it.

Late in September he broke George Sisler's record of 257 hits in a single season by clouting out his 258th bingle during a game with Wichita. Then, just to be sure of it, he speared another into left field before the close of the season for a total of 259.

Jack Lelivelt is 34 years old. He has been in organized baseball for 15 years. He bats and throws left-handed. He weighs 170 pounds and stands 5 feet 11 inches from the clubhouse floor.

Vinita Ready for Big Week; Rain Would Help Bird Dogs

By a STAFF CORRESPONDENT.

VINITA, Nov. 12.—Vinita today reposed in complete quiet. The excitement and rush of the last few days, caused by the American Field Futurity, which was completed Friday, has passed—but not for long.

It is just the bull before a bigger run and more excitement, for Monday the Southwestern Field Trial association opens its annual meet, which will last all of next week. The open all-age dog show, an event of the association's card, starts Monday with a large entry list. However, final entries do not close until Sunday noon and it is believed that many dogs will be entered.

Drawings for the first series will be held tomorrow afternoon in the lobby of the Cabb hotel, headquarters for the field trial.

Many of the bird men and handlers who were in Vinita Thursday and Friday attending the American Field Futurity have left for the week-end but will return Sunday night. It is expected that many more sportsmen will also come for the southwestern trials.

The weather bureau here today forecast a rain and that is just what the sportsmen are praying for. A light rain, they say, would improve the work of the bird dogs to a great extent. Due to the dryness of the ground, the dogs have trouble in locating birds and then keeping a point after the birds are found.

HARVARD VICTOR IN LAST MINUTES

Crimson Snatches Game From Brown Near End; Score 9 to 7

CAMBRIDGE, Mass., Nov. 12.—Harvard snatched victory from the hands of Brown in the last five minutes of play here today. With a field goal, Harvard's only score, early in the last quarter, the Brown Bear went over the Crimson line for a touchdown. Less than five minutes before the end of the game Harvard carried the ball half the length of the field for a touchdown, but failed to kick goal.

CREIGHTON WHIPS AGGIES, 26 TO 13

Oklahoma Farmers Put Up Game Fight; Severe in Late Periods

OMAHA, Neb., Nov. 12.—Creighton university's football team won a hard-fought game from the Oklahoma Agricultural college here today, 26 to 13. Creighton scored a touchdown in each period, getting the last one within the final five minutes of play.

Oklahoma's first touchdown came in the first of the third period after the visitors punned and recovered on Creighton's 20-yard line. After several line smashes, Hassbrook, their right halfback, took a pretty forward pass from Weaver, quarterback, and ran around right and for goal. They scored their second in the first part of the last quarter when, following three downs on Creighton's four-yard line, Hassbrook carried the ball over. Weaver kicked goal. Creighton lost 30 yards on penalties for holding.

INDIANS TO PLAY AT FORT WORTH

Haskell Accepts Turkey Day Invitation of Texas Christian U

Special to The World.

FORT WORTH, Texas, Nov. 14.—An Indian invasion is scheduled to take place in the Lone Star state Friday, November 18, and the starting point is Fort Worth. Fourteen tribes will be represented in the battle against the palefaces.

The palefaces in this case being the Texas Christian University football team and the Indians being the football team from Haskell Indian Institute.

The Apachean furnish for the team John and George Levi, Fire and Miles. John Levi, by the way, is the fullback who in 1919 while playing with Phillips university, beat the 100 to 0 in a game with most alone. All the press notices say he is playing the best ball of his career with the Haskell school this year. In addition to breaking the opposing line, he is kicking about 65 yards every time he strikes his Indian foot into the ball.

The Adaphos are all from the state of Oklahoma. The Wichita tribe is represented by Campbell and Bates. Ojibwa is a Comanche, while Brance is a Kiowa. McLennan and Wofford are Cherokee. All of these boys hail from Oklahoma.

Nebraska furnishes two Plutes, Watson and Webster, who are playing bank up football this year. Kansas football men have the novel name of Killbuck. A Flathead by the name of Lasse and a Black-foot by the name of Klipp hold residence in the state of Montana. The Oklahoma football men have the name of Klipp. The name of Klipp is a Sioux or two. All of their big teams in the past have had representatives from this tribe. One of the stars of the team is a Sioux and he is from South Dakota. The Onondaga Indians have a lone representative whose home is in Wisconsin and this man is the center of the team.

King. All of the Indians at Haskell are registered under English names. However, they all have a different name in their own language.

The Haskell team is being coached by Matty Bell, ex-star of Centre college, whose home is in North Fort Worth.

Smith Surprises Fans in Workouts for Palmer Bout

Palmer and Smith Training for 12-Round Bout on Friday Night

Curley Smith's Fighting Face.

Curley Smith, the Bartlesville middleweight, has surprised boxing fans in his workouts at the T. A. C. gym for his coming 12-round bout with Kid Palmer at Convention hall. Many are picking him to give Adios Sacks' protégé a tussle, and some even think he may win.

Not for five years has Smith been seen in action in a Tulsa ring. His rough and questionable tactics were not relished by Tulsa fans and he was told to look upon Tulsa as forbidden territory. During the last year, however, reports are that Smith has changed his style, and those who have seen him in action say he boxes as cleanly as anyone could ask. With this understanding there was no objection when the Smith-Palmer bout was proposed. Smith has been a big drawing card in other towns of eastern Oklahoma and also has boxed frequently in Kansas, Missouri and Texas. If he lives up to his new reputation next Friday night Tulsa fans will welcome him back.

'Battle of the Arkansas' Described By Duck Making Perilous Voyage Through Myriad of Tulsa Hunters

Special to The World.

A mallard duck flew into the Gulf of Mexico, dropping down on the still waters of a lagoon. It was a hen mallard. Her tongue lolled out, her wings drooped, her eyes were blind, and she dragged her little toes like a tired man drags his feet.

A big fat gray duck swam up and quacked. The hen mallard answered and this is the conversation:

Gray Duck—Why so saggy?

Hen Mallard—You'd be saggy, too, if you had been through what I have. Started from Canada day before yesterday to get away from those blooming hunters and the cold wave.

G. D.—But why didn't you rest on the way down?

H. M.—Rest? Ray, you those feathered gadwall, did you ever fly down the Arkansas river past Tulsa?

G. D.—Once, but never again (trapping her in).

H. M.—Old Man Greenhead.

H. M.—Nobody told me not to fly that way. My old man, peace to his feathers and bones, was drake-headed and led the river turns to go south. I mean up there in the wheat country, the bombardment began. You never heard such a racket. We hit the river in a minute, day and night. Those two-legged creatures certainly showered us with lead. It got worse as we flew south, and I longed every fifth flap of our wings.

G. D.—But where did you divorce that old man of yours?

H. M.—Hold your horses and I'll tell you. I hadn't come to that yet. Joe Meager and Tom Hartman shot 16 times at us as we flew over Big Lake. We dodged back to the river and some hunters at the mouth of the creek, but those two-legged creatures were still showering us with lead. It got worse as we flew south, and I longed every fifth flap of our wings.

MIDDLEWEIGHTS IN GREAT FAVOR

Palmer and Smith Training for 12-Round Bout on Friday Night

The Tulsa A. C. gym under the Terouhal hotel is a mighty busy place these days, particularly as since Kid Palmer and Curley Smith have started active training for their 12-round bout at Convention hall next Friday night.

Good middleweight cards in which Palmer, Jack Malone, Young Plasmone and other high-grade biffers have figured, have made the middleweight division highly popular with Tulsa boxing fans, and the Palmer-Smith event promises to draw a nice drawing card for the Oil City A. C.

Palmer and Smith Train.

Palmer who returned to Tulsa two weeks ago, after a knockout victory over Battling Ortega at Juarez, Mexico, has been residing at his home here in company with Mrs. Palmer and their little batter Billy. His coming bout with Curley is the first of a busy campaign that manager Adios Sacks has mapped out for the Kid for the coming winter.

In Smith Palmer is meeting a man regarded as the toughest nut to crack in the middleweight class in the southwest and Curley in over eighty battles has never yet been forced to take the count, and that includes bouts with the toughest boxers of his weight throughout the west.

Smith arrived Friday night from Hick, where Thursday night he stopped Frank Mantell in two rounds. He started training for his bout with Palmer yesterday afternoon at the T. A. C. gymnasium.

Manager Louis Newman of the Oil City Athletic club also wishes to announce that he has matched Billy Morrisette, "the pride of Sand Springs" who last Thursday night beat Remond Afford at Bartlesville, and Warner Smith of Bartlesville, Warner in a real corner having won his last eleven bouts over the knockout route, and if the reports are true as to his ability, he and Morrisette should put up a great battle. This go is scheduled for 10 rounds as the semi-final.

Winner to Meet Malone.

The rest of the Oil City Athletic club card which consists of the usual four and six-round preliminaries will be announced later.

Palmer and Smith will work again this afternoon, and every day from now on until the day of the bout.

Matchmaker Newman of the Oil City Athletic club has promised the winner of the Palmer-Smith match about with Jack Malone, the clever St. Paul boxer. Tulsa boxing fans have been looking forward to a meeting between Palmer and Malone as no doubt this match will pack Convention hall.

Iowa Rumps Easily Over Hoosiers, 41-0

IOWA CITY, Iowa, Nov. 12.—Scoring three touchdowns in the first period and one in each succeeding quarter, Iowa had an easy time romping away with a 41 to 0 victory over Indiana in the western conference game here today.

With Captain Aubrey Devine performing with all his brilliancy, the powerful Hawkeyes team scattered the Indiana defense in the opening period and ran a 29 to 0 advantage before the game had progressed 15 minutes.

Oklahomans Shoot in Coffeyville Tourney

COFFEYVILLE, Kan., Nov. 12.—Fifty shooters participated in the second day's program of the local gun club's tournament today. A high wind made shooting difficult and the scores generally were low.

William Lambert of Oklahoma City was high today with 146 breaks out of a possible 150; B. C. Meente of Illinois, Sam Sharnan of Salt Lake City and Homer Clark, Illinois professional, were tied with 141 each. Frank Eichen and Charles Eichen of Coffeyville and E. M. Harker, Kansas professional, broke 142 each for third place. W. Renfro of Montana was fourth with 141.

Tris Speaker, baseball star, cracked 123.

Fred Eichen, local, was high in the double race, turning in a score of 42 clay out of 55 pairs.

Trophy winners in the various events included Lambert and Forest McNeil of Houston, Texas.

A challenge match for the hazard double at 100 pairs was won by "Chief" Wheeler, Pawtucket, Okla., from Homer Clark, holder, 133 to 173.
